AIRPORT

You will be arriving at the only airport in Bali, located in Denpasar called Ngurah Rai International Airport. Travel time from the airport to Villa Gaia is approximately 1 to 1 & 1/2 hour depending on the time of day.

TOURIST VISA UPON ARRIVAL

Ensure that your passport is valid for 6 months with 1 empty page!

You will be issued a visa upon arrival at the airport valid for 30 day, single entry with no means of extension. It is imperative that you check the circumstances for getting the visa prior to departure from your home country as the requirements and prices differ between countries.

Here are some steps to guide you through the process:

- On the plane you will be given an immigration card to fill out. This card has two forms: one they keep at immigration when you arrive and one you should keep and hand in on your departure. It is a bit of a hassle if you lose the departure form during your stay, so keep it safely with your passport.
- On the immigration card you will be asked to provide details about your stay and the purpose of your visit - You are a TOURIST.
- You will be staying until ____
- You are staying at GAIA RETREAT CENTER in UBUD - Jl.Sri Wedari No.5, Tegallalang, Kecamatan, Ubud.
- You will get your Tourist Visa on arrival, which means you stand in one line to get your Passport stamped and then stand in another line to go through immigration. If you have arranged for a longer Visa look for the appropriate

line. Please bring a photocopy of your passport photo page for local registration purposes. Keep this in a safe place away from your passport.

AIRPORT PICKUP & TRANSPORTATION

Included in your retreat is transfer from the airport/hotel on arrival day and return on departure day.
